

"Communities already exist... think about how YOU can help that community do what it wants to do."

- Mark Zuckerberg, founder and CEO of Facebook

The grant Osage Beach Elementary School received from The Community Foundation of the Lake helps fund The Leader in Me program. The Leader in Me is a whole-school transformation model based on The 7 Habits of Highly Effective People®. It equips students with the self-confidence and skills they need to thrive in the 21st century economy. Students apply for a wide variety of positions within the school, stating why they are interested in the position and how they would contribute to the school or classroom. One student was quoted, "We are all leaders. At our school, leadership is doing the right thing even when no one is watching."
